OCALA SOCIAL AFFAIRS

(Continued from Third Page)

Dr. D. M. Smith's many friends will be glad to know he is having a pleasant stay at Battle Creek, Mich.

Mr. and Mrs. Dempsey Mayo of Ocala are enjoying a stay of several days in Jacksonville.—Times-Union.

Mrs. J. M. Meffert and daughter, Miss Marion, came up from their summer home at the lake this morning, for a brief visit to their city residence and to do some shopping.

Mr. and Mrs. J. E. Goff of Tifton, Ga., have returned home after a very pleasant visit to Florida relatives, Messrs. S. D. and D. M. Martin at Wildwood and Mr. E. P. Martin in Ocala.

Mr. Julian Bullock, of Fort Lauderdale, is here for a brief visit. Julian says all the members of the Ocala colony at Fort Lauderdale are well and happy. He will leave on his return tomorrow.

Dr. W. H. Dodge, after almost two weeks spent most pleasantly visiting his Ocala friends, returned this afternoon to Jacksonville. Ocala highly esteems this excellent preacher and good man, and hopes to see and hear him often.

SURE SIGN

Daisy—Anna's been married six months and has never baked a cake or batch of bread.

Kitty—Isn't it ideal to see a wife think so much of her husband?

IT DEPENDS

"Does your heart flutter when you go to her house?"

"It sure does—if the old man is at home."

Explained.

The fat and forty old lady had plied the conductor with so many questions that he was beginning to think that mother-in-law jokes had substantial foundation in fact. "Can you tell me on what cars I can use these transfer tickets? They mix me up somewhat." The conductor winked at another passenger, and replied: "It's really very simple, madam. East of the junction by a west-bound car an exchange from an east-bound car is good only if the west-bound car is west of the junction formed by the said east-bound car. South of the junction formed by a north-bound car is good south of the junction if the north-bound car was north of the junction at the time of issue, but only south of the junction going south if the south-bound car was going north at the time it was south of the junction. No difficulty at all, Ma'am."

By this time the old lady was speechless.

Overdid it.

"I know a man," said Uncle Eben, "dat kep' so busy lookin' up foh clouds wit' silver linin' dat he done walked into a coal hole."

When Woman is a Bore. A woman without a laugh in her is the greatest bore in existence.—Thackeray.

Variation in Reckoning. In Great Britain a billion is reckoned as a million millions. In the United States it is only a thousand millions.

Daily Thought.

There is a chastity of honor that feels a stain like a wound.—Burke.

Health Hint.

Eat less meat and more fruits and vegetables, and you will have better health.

Hay and Straw on Platforms.

In Mexico, farmers instead of fencing in their hay and straw stacks, expect them on platforms out of the reach of cattle.
